

CATHEDRAL OF THE BELOVED

where loves comes first

Where/How do we Begin to Build this Campus?

We will **Pray with our Feet** this summer.

- Beginning in June, St. Stephen's, Zion and the other downtown congregations will hear about the book Praying with our Feet by Lauren Krinks, as part of a dialogue sermon series. Twice monthly, sermons will be inspired by this book as pastors dialogue with this text in worship.
- You are invited to join a book study group and participate in one activity a month (something you can do on your own or with a small group). More details to come!
- Follow us on Facebook for #Walkingwednesday and join us in pilgrimage.

Building the Beloved Community Pilgrimage for Middle School Students: Last year, The Rev. Valerie Bailey-Fischer, Chaplain at Williams College, and Cathedral's staff envisioned a middle school program to introduce students and their families to systemic issues within our community through hands-on service and conversation, as we live into the question, "what does it mean to pray with our feet?" This summer, middle school students are invited to register to participate in evening activities (5-7:00pm roughly) the week of July 25th-July 31st. Worship will bookend both sides of this week. Please invite families you know. Interested participants please email: cathedralofthebeloved@gmail.com More information and an application will be on our website www.cathedralofthebeloved.org (COVID protocols will be followed.)

This Fall: Community Care Training. This training will help us to build relationships across congregations and meal sites. We will learn to show up in the world better together. With a focus on basic skills and active listening, we will create deeper understanding of classism, white privilege, and toxic charity. Applications will be available in June. The classes, meeting twice a month (one Sat. morning and one Thurs. evening), will begin Sat., Sept. 11. More details to come!
