

## Welcome to Worship at St. Stephen's

It's good to be worshipping together in the sanctuary!

Thank you for your understanding and patience as we observe the following protocols:

**Masks:** Please wear a mask when you move around the sanctuary. If you do not have one the greeter can provide one for you. If you are fully vaccinated you may remove your mask when seated. Please maintain appropriate social distance, particularly if you remove your mask.

**Wellness:** The greeter will ask how you are feeling today. If you are not feeling well, please return home and come back when you are feeling better.

**Preregistration and Nametags:** Greeter will ask your name to check off the pre-registered list (and give you your name tag). If you have not pre-registered, the greeter will need to get contact information from you. It's helpful if you preregister each week for Sunday's service.

**Children are always welcome at worship!!** While there's no nursery offered at this time, **Family Seating** has been set aside for those with children and younger teens (in the last rows of the sanctuary). Parents, please come and go as your child needs to - though we ask that children be accompanied at all times.

**Singing:** We are thrilled to be able to sing hymns finally! Those who are fully vaccinated may sing gently, respecting the issue of social distancing. If you are unvaccinated, or want to sing robustly, please keep your mask on while you sing. While less than perfect, it's so wonderful to be able to sing again!
