

In the month of June 2023, our operating **revenues were \$13,835**. Our operating **expenses were \$39,965**. This left us a **deficit of \$26,130 for the month**. Pledges during the summer months tend to drop as parishioners may not be in church during popular vacation months. Our year-to-date pledge income is still slightly above the planned budget by \$1924. **Thank you for your continued contributions!** Online giving continues to be an easy way to stay up to date on your pledge, assuring a steady flow of income for St. Stephens as well as a convenient budget tool for you. Please contact our Parish administrator Sarah if you need help setting that up. Below are graphs showing the month of June average income and expenses from June 2019-2022 as compared to June 2023 as well as compared to what we budgeted per month.
