

In the month of July 2023, our operating **revenues were \$34,915**. Our operating **expenses were \$32,805**. This left us a **surplus of \$2,110. for the month**. As we typically see in the summertime, our monthly pledges remain below budget; however, our year-to-date pledge income is still slightly above the planned budget. The staff and leaders of St Stephens have been doing a wonderful job at keeping expenses at or below our budgeted amount. That is not always an easy task. Thank you to Sarah Morrison for her continued diligence in looking for ways to stretch our budget. **Thank you for your continued contributions!** Online giving continues to be an easy way to stay up to date on your pledge, assuring a steady flow of income for St. Stephens as well as a convenient budget tool for you. Please contact our Parish administrator Sarah if you need help setting that up. Below are graphs showing the month of July average income and expenses from July 2019-2022 as compared to July 2023 as well as compared to what we budgeted per month.
