NOTES

Supplies

The parish provides coffee, sugar, stirrers, coffee cups, juice cups, and napkins. If these supplies are dwindling, please contact Sarah Morrison in the Parish Office or Craig Reynolds.

Coffee Making

Fill the coffee maker with water between the 40 and 55-cup lines. Use your judgment based on the size of the congregation that day and previous Sundays. Use roughly $\frac{1}{2}$ cup of coffee for every 10 cups made.

Treats

Please understand that the provision of “treats” is NOT required for Coffee Hour Hosts. If you choose to bake, lovely. If you choose to bring items from the store, lovely. If you choose not to provide treats, lovely. Providing coffee and juice (or a similar alternative to coffee) for this gathering is a host’s priority.

Thank you for your dedication to parish hospitality!
