

In the month of January 2024, our operating **revenues were \$81,326**. Our operating **expenses were \$49,020**. This left us a **surplus for the month of 32,306**. Our monthly pledges are approximately \$31,000 above our monthly budgeted amount this month. We often see an increased dollar amount in pledges during the beginning of the year as some parishioners choose to give a one-time, lump sum pledge. This differential tends to decrease as the year progresses. Our office staff sends out quarterly statements to remind us of where our pledge amount stands throughout the year. This is an important tool to help us keep up to date with our giving. Your pledge continues to make an impact on managing the costs to keep St. Stephens operating every day. Online giving continues to be an easy way to stay up to date on your pledge, assuring a steady flow of income for St. Stephens as well as a convenient budget tool for you. Please contact our parish administrator Sarah 413-448-8276 if you need help setting that up. Below are graphs showing the **current actual income and expenses for the month of January**, the average income and expenses from January 2020-2023, as well as our monthly budgeted amount for January 2024.
