

In the month of July 2024, our operating revenues were **\$31,485 plus, a generous donation made to The St. Stephen's Table fund of \$31,000 for a total of \$62,485**. Our operating expenses were **\$34,452**. This left us a **Surplus for the month of \$20,083**.

Our office staff sends out quarterly statements to remind us of where our pledge amount stands throughout the year. This is an important tool to help us keep up to date with our giving. Your pledge continues to make an impact on managing the costs to keep St. Stephens operating every day. Online giving continues to be an easy way to stay up to date on your pledge, assuring a steady flow of income for St. Stephens as well as a convenient budget tool for you. Please contact our parish administrator Sarah 413-448-8276 if you need help setting that up.

A recent decision by the finance team has led us to eliminate the past 4-year comparison bar from the charts. This change was implemented to help us move forward in a new era of economic change. Below are graphs showing the **current actual income and expenses for the month**, as well as our monthly budgeted amount.

If you would like to see a full itemized report of the income, expenses, savings accounts, and the balance sheet, please feel free to contact, Suzanne White, parish treasurer e: smwhite1207@gmail.com
