# NOTES

## Supplies

The parish provides coffee, sugar, stirrers, coffee cups, juice cups and napkins. If these supplies are dwindling, please contact Sarah Morrison in the Parish Office or Joan Evans.

## Coffee Making

Fill the coffee maker with water between 40 and 55-cup lines. Use your judgement based on the size of the congregation that day and previous Sundays. Use roughly 1/2 cup of coffee for every 10 cups made.

## Treats

Providing coffee and juice (or similar alternative to coffee) for this gathering is the host's priority.

Thank you for your dedication to parish hospitality!
